

# 4-Outlet Open Cord Reels

**VOLTEC** introduces a complete line of open cord reels which meet all UL and CSA standards. For added safety our open cord reels are manufactured with a circuit breaker to help avoid overloads and a power indicator light to ensure the power is on. These reels add extended range when uncoiled, with four extra outlets all in one. All reels include a top grip handle which is easy to carry.

- **UL & CSA APPROVED**
- **CIRCUIT BREAKER WITH PUSH BUTTON RESET**
- **POWER INDICATOR LIGHT TO INSURE POWER IS ON**
- **EASY TO STORE**
- **EXTEND ELECTRICAL RANGE**
- **ERGONOMIC GRIP HANDLE**
